

*Fine Handcrafted 18th Century
American Antique Reproduction Furniture*

INTERIOR DESIGNER PROGRAM

Eldred Wheeler offers a special program for Interior Designers that features the following benefits and capabilities:

- ◆ Eldred wheeler offers a **special price discount** to interior designers, and additional discounts for very large orders.
- ◆ **Follow-on orders** by interior designers always receive the discount regardless of the size of the order.
- ◆ Eldred wheeler's **18th century american reproduction** furniture melds perfectly in a room featuring authentic antiques.
- ◆ We **design and handcraft pieces for every room** in the home, including full bedroom and dining room ensembles.
- ◆ Eldred wheeler will make **repairs of product free of charge**, provided the product is returned to our location.
- ◆ The book "eldred wheeler – a collector's guide" by founder Emmett Eldred, offers guidance into the intrinsic value of **Eldred Wheeler furniture vs production furniture**.
- ◆ Eldred Wheeler can **design and build a custom piece** or customization of an existing piece to meet your client's specific requirements.
- ◆ We offer the ability to **meet special deadlines** you may have for delivery and set-up of the furniture in the home.
- ◆ Once on our mailing list, you will be advised of **special offers** and new designs throughout the year.
- ◆ Your clients are very likely to return to you for more Eldred Wheeler purchases in the future as our product is collectible and we make dozens of pieces.
- ◆ Our furniture was featured in the film the "Stepford Wives" filmed in Greenwich, Connecticut!
